Petrol Power ECOMAX Multi-Shot 500ml

A multi-shot fuel treatment for enhanced combustion efficiency and engine cleanliness

Description

A fuel treatment and detergent package that adds up to 2 octane numbers (RON) to unleaded fuel. Ideal for use as a pre-MOT test clean-up treatment.

Application

For use in all petrol passenger car and light commercial vehicles (LCV), including Euro 6, Euro 5 and Euro 4 compliant engines with or without a Petrol Particulate Filter (PPF)/ (GPF)/ (OPF). Also can be used in motorcycles, scooters, ATVs, small plant and garden machinery.

Dosage Rate

1 x 500ml bottle treats:
500 Litres (10 x 50L tanks) of unleaded fuel

| Fuel Dilution Ratios | |
|-------------------------|---------------|
| Fuel treatment quantity | Fuel quantity |
| 500ml | 500 L |
| 50ml | 50 L |
| 5ml | 5 L |
| 1ml | 1 L |

Directions for use

Add to fuel tank prior to refuelling.
Note: Multi-shot intended for frequent use
i.e. on every fill up.

Typical Characteristics

| | |
|---------------------------------|-------|
| Density @ 15°C, g/ml | 0.943 |
| Kinematic Viscosity @ 40°C, cSt | 16.6 |
| Flashpoint, °C | 66 |

Features & Benefits

- Increases octane rating of unleaded fuel by up to 2 numbers resulting in increased power and MPG.
- Enhanced detergency package for quicker clean up and prolonged petrol injector cleanliness.
- Improved inlet manifold and valve cleanliness condition.
- Maintains catalyst efficiency and helps to invigorate catalytic converters.
- Improved combustion and engine cleanliness drastically reduces emissions of hydrocarbon (HC), carbon monoxide (CO) and nitrous oxide (NOx).
- Protects the fuel system from E5/E10 ethanol corrosion.

Petrol Power ECOMAX Disclaimer:

- Petrol Power ECOMAX Multi-Shot does not provide valve seat protection for older cars. Use VSPe Power Plus (7917) for cars designed to run on leaded petrol.

Storage Instructions

Store at ambient temperature. Avoid direct sunlight. Product efficacy within 24 months of date on bottle if stored according to the manufacturer's instructions.
