

EQUIPMENT LIST

Category	Part code	Product name	Description
Pumps	75082	20/25L Gear Oil Lift Pump	This pump is specifically for use with gear oil. Comes with 1.7m outlet hose, 2" BSP male thread to connect to 20/25L drum. Pumps on down stroke.
	75086	20/25L Piston Pump	Suitable for lubricants, industrial solvents, thinners, chemical cleaners and detergents. Not suitable for heavy oils e.g. gear oils. Nylon suction tube, viton seals, steal nylon coated rod. Pumps on down stroke.
	75051	205L Side Lever Pump	Suitable for all oils, petroleum and other non-aggressive fluids. 2" BSP male thread to fit 205L barrels. Output: 350 cc per stroke.
	75119	205L Rotary Pump WS25	Suitable for all grades of oil. Rotary action, cast iron construction. 2" BSP male thread.
	75024	Grease Pump 12.5kg (NLGI 1-3)	12.5kg greaser for use with all greases except the autolube range (Delta 0, 00 000 EP). C/w follower plate, 1.5m rubber flexi hose with a 4 jaw coupler on the end.
	75262	Grease Pump 12.5kg (NLGI 000-0)	12.5kg greaser for use with autolube range of greases (Delta 0, 00 000 EP).
	75087	Vampire 38-X Sampling Pump	Pump for extracting samples – plastic sample bottle screws into the bottom of the pump, with one end of the pipe going into the top of the pump and directly through to the sample bottle whilst the other end goes into the container holding the product for sampling.
Grease Gun	75064	Side Lever Grease Gun	Suitable for most greases except autolube grease (Delta 0, 00 , 000 EP). Grease capacity 400g, complete with screwed end cap for easy cleaning, quick discharge of empty cartridge.
	75072	Flexi Hose 12" (M05) J0112R	Flexi Hose for grease gun – specifically designed to access hard to reach areas for greasing where the rigid grease extension would be very restricted.
Barrel Accessories	75043	Barrel Taps 2"	2" plastic tap for 205L barrels – suitable for use with all oils.
	75037	Barrel Tap 3/4"	3/4" plastic tap for 205L barrels – suitable for use with all oils.
	75476	4 Barrel Spill Pallet	245L Bund Capacity (BPFE4).
Spill Response	75437	Terek Oil Spill Kit 10L	10 Litre oil & fuel Spill Kit in clip-top bag for quick response to spills of oils, fuels and solvents. Contains absorbent sock to contain spills and protect drains and absorbent pads to soak up spilled liquids. Disposal bag and zip-tie included.
	75447	Terek Oil Spill Kit 20L	20 Litre oil & fuel Spill Kit in clip-top bag for quick response to spills of oils, fuels and solvents. Contains absorbent sock to contain spills and protect drains and absorbent pads to soak up spilled liquids. Disposal bag and zip-tie included.
	75442	Terek Oil Absorbent Pads x50	Oil and fuel plain absorbent pad, 40 x 50cm, polywrapped. Absorbs 120L. Pack of 50.
	7636WI	Multi Absorb Granules	Fast acting, inert, super absorbent granules for spillages of all liquids. Absorbs liquids leaving only small traces on surfaces. Granules remain hard even at full saturation, ensuring they are easy to sweep up when the absorption is complete.
