

MILLERS OILS

HYDRAULIC LIFT PRODUCT RANGE

GEARBOX

A range of gear oils that meet the performance requirements of industry/manufacturer specifications, available in varying viscosities from ISO 68 – 680.

Mineral

- Millgear EP

Synthetic Polyalphaolefin (PAO)

- Millgear SHC

Synthetic Polyalkylene Glycol (PAG)

- Millgear SY

HYDRAULIC SYSTEM

A range of hydraulic oils that meet the performance requirements of industry/manufacturer specifications, available in varying viscosities from ISO 2 – 100.

HLP

- Millmax

HLP ZF

- Millmax ZF

HVLP

- Millmax HV

Longlife

- Millmax Longlife

Biodegradable

- Millmax SE BIO

Fire Resistant

- Millmax HFD(u)

SPILL RESPONSE

- Spill response kit
- Oil Absorbent Pads
- Rags

GUIDE RAILS

A range of chain oils containing a tackiness additive to ensure a strong adhesive film to resist fling off, available in varying viscosities.

- Chain Oil
- Chain Lubricant 1461

GREASE

General Grease

- Delta EP
- Deltaplex EP

High Temperature

- Millergrease Synth HT2

Copper Grease

- Millergrease NS Copper

INDUSTRIAL CLEANER

- Solvent 1489
- E-Vap Brake Cleaner
- Millsol Green

HAND CLEANER

- Pevastar Hand Cleaner

WATER DISPLACEMENT/ PENETRATING FLUID

- Dewatering Fluid 1782
